Policy Options	Active Employee					
	• Option 1 - Discontinue Deferrals to Life Insurance Policy – Allow Cash Surrender Value to Keep Policy In-Force Until Value is Exhausted – You may discontinue deferrals to your life insurance policy. Your policy will remain in force according to the terms of your Plan by deducting the monthly charges from the Cash Surrender Value until the Cash Surrender Value is fully depleted. At that time, you will be required					
	 to make a new election if you wish to keep your life insurance policy in force. Option 2 - Discontinue Deferrals to Life Insurance Policy – Annually Transfer Assets to Fund Life 					
	Insurance Policy - You may discontinue deferrals to your life insurance policy and elect to annually transfer sufficient funds from your other investment options to keep your policy in force. The amount transferred each year will be withdrawn pro-rata from your other investment options (other than Life) according to your investment allocation at the time of the transfer.					
	Option 3 - Cancel Life Insurance Policy – Transfer Cash Surrender Value to other Investment Options – You may cancel your life insurance protection and transfer any applicable Cash Surrender Value to your other investment options under the Plan. The transfer of any applicable Cash Surrender Value will be invested in your other investment options according to your current investment allocation.					
Life Insurance Premiums	Any applicable life insurance premiums currently being deferred will be invested in your other investment options according to your current investment allocation.					
Authorized Signatures and Certification	This section must be signed by you, the Participant. By signing this form, you certify that you have read and understand the proposed changes and the information regarding this request is correct and complete.
